Jenna Fischer Monday, July 16, 2012 The Giant Mechanical Man Won't Be Found on DVD.

.Yet Jenna Fischer's "The Giant Mechanical Man" the project that she calls her passion will not be put on DVD just yet.

She has been working with Tribeca Films, and the Tribeca film festival so that it could not only play at these festivals but also pioneer a new way in which movie directors and producers can market their films and actually make some money through pay-per-view.

This is a brilliant romantic comedy that will only be available to people on-demand or pay-per-view.
