Jenna Fischer Monday, July 16, 2012 **The Giant Mechanical Man Won't Be Found on DVD.**

She has been working with Tribeca Films, and the Tribeca film festival so that it could not only play at these festivals but also pioneer a new way in which movie directors and producers can market their films and actually make some money through pay-per-view.

.Yet Jenna Fischer's "The Giant Mechanical Man" the project that she calls her passion will not be put on DVD just yet.

This is a brilliant romantic comedy that will only be available to people on-demand or pay-per-view.
